

LET'S BE CLEAR

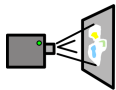

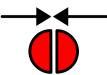

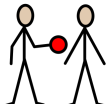

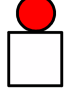

Let's Be Clear

    +  
Calling community craft groups and craftivists who want to

     
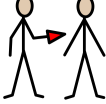

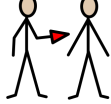

make a difference in Gloucestershire this autumn.

    
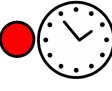

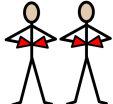

We are looking for local makers to join a clear

      
face mask project. Come together to support your local

       
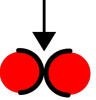

community and in solidarity with people who rely on lip

      
reading and seeing the face across our county.

    
If you are interested to find out more, or if you are

      
already a part of a group creating clear face masks, we

   
would love to hear from you....
